Job Description

Tallangatta Meat Processors (Smith's TMP) presents an exciting opportunity for enthusiastic and experienced skilled Meat Workers. Smith's TMP have a long and proud history in the Australian Meat Industry. Family owned and operated for over 40 years, we pride ourselves on our commitment to Quality, Reliability & Customer Relationships.

Due to continued growth we are currently looking for qualified Meat Worker (Slaughterman, Knife Hands, Labourer) to join our team in Tallangatta. We can offer you a full time, permanent job with proper industry training and supportive management. You will be a valued team member and will work in a fast-paced environment that has a focus on safety and wellbeing.

As a full-time, permanent employee, you will work a minimum 38 hours per week with the potential for overtime.

Your responsibilities are:

- Slaughtering tasks across the production floor such as y-cut, pelting, shoulder pull and gutting
- Trimming any defects or contamination as directed by Meat Inspectors
- Separating and / or handling offal at the eviscerating table
- Production work on process line
- General labouring
- Chiller room operations
- Maintaining high hygiene standards throughout all processes
- Follow all OH&S procedures and policies

The right applicants will meet the following requirements:

- Proven experience within the meat industry utilizing knife skills
- Relevant qualification (Cert.2/3 Meat Processing) advantageous but not essential
- Knowledge and understanding of Quality requirements
- Highly developed interpersonal and communication skills
- Ability to work with supervisors on improving daily duties
- High focus and attention to detail
- Ability to cope with the physical demands of the job
- Reliable, committed, on time and positive work attitude
- Able to work in a diverse team with varying backgrounds, knowledge and experience
- Willing to undergo Q Fever Vaccination, or have completed Q Fever Vaccination
